### How to Calculate Your Shipping Charges:

Postage is determined by dimension and weight. When calculating postage due, please note the following BEFORE using the shipping chart:

Chicks, bantams, mallards, call ducks, pheasants, and guineas count as **1 Bird**.

Turkeys and large breed ducks count as **2 Birds**.

Goslings each count as **3 Birds**.

*For example: 25 chicks and 12 pekin ducks = 49 birds or 75 chickens and 25 turkeys = 125 birds or 100 chickens = 100 birds.*

**\*\*\*\*\*All prices, including postage, are subject to change without further notice.\*\*\*\*\***

- Odd Lot Fee of \$5.00 will be added to any order of less than 100 birds.
- Box size is calculated according to the number of "Birds" as determined by the section above.
- Per box surcharge has been added by the USPS. This charge will be assessed to all orders regardless of box size.

The surcharge will be calculated as follows:

Up to 100    1 Box X \$15.00    = \$15  
 101 – 200    2 Boxes X \$15.00    = \$30  
 201 – 300    3 Boxes X \$15.00    = \$45
